

SETTING UP APPLICATION ENVIRONMENT

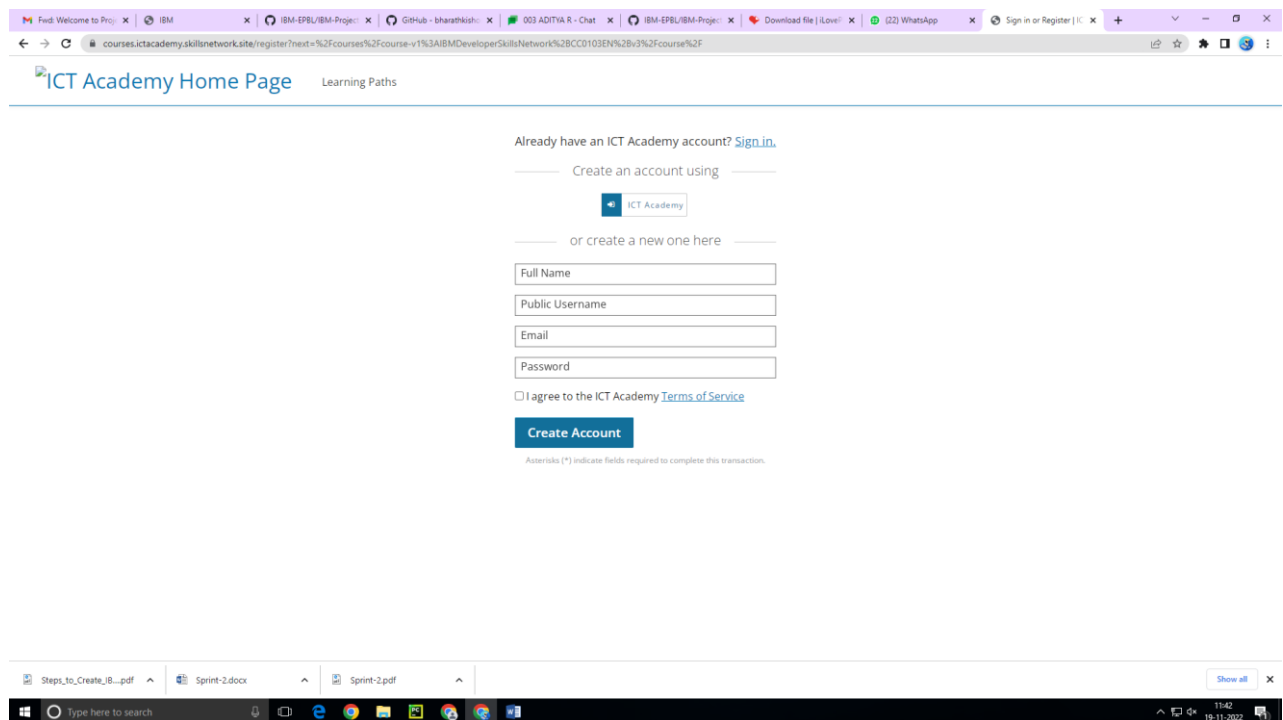

Create IBM Cloud Account

Date: 2nd Nov 2022

Team ID: PNT2022TMID11984

Project Name: Smart Fashion Recommender Application

step 1: Create a account

The screenshot shows a web browser window with multiple tabs. The active tab is 'courses.ictacademy.skillsnetwork.site/register?next=%2Fcourses%2Fcourse-v1%3AIBMDeveloperSkillsNetwork%2BCC0103EN%2Bv3%2Fcourse%2F...'. The page header includes 'ICT Academy Home Page' and 'Learning Paths'. The main content area has a heading 'Already have an ICT Academy account? [Sign in.](#)'. Below this is a section 'Create an account using' with a button for 'ICT Academy'. Underneath is the text 'or create a new one here' followed by four input fields: 'Full Name', 'Public Username', 'Email', and 'Password'. There is a checkbox for 'I agree to the ICT Academy [Terms of Service](#)' and a blue 'Create Account' button. A small note at the bottom states 'Asterisks (*) indicate fields required to complete this transaction.' The Windows taskbar at the bottom shows the date and time as 11:42 on 19-11-2022.

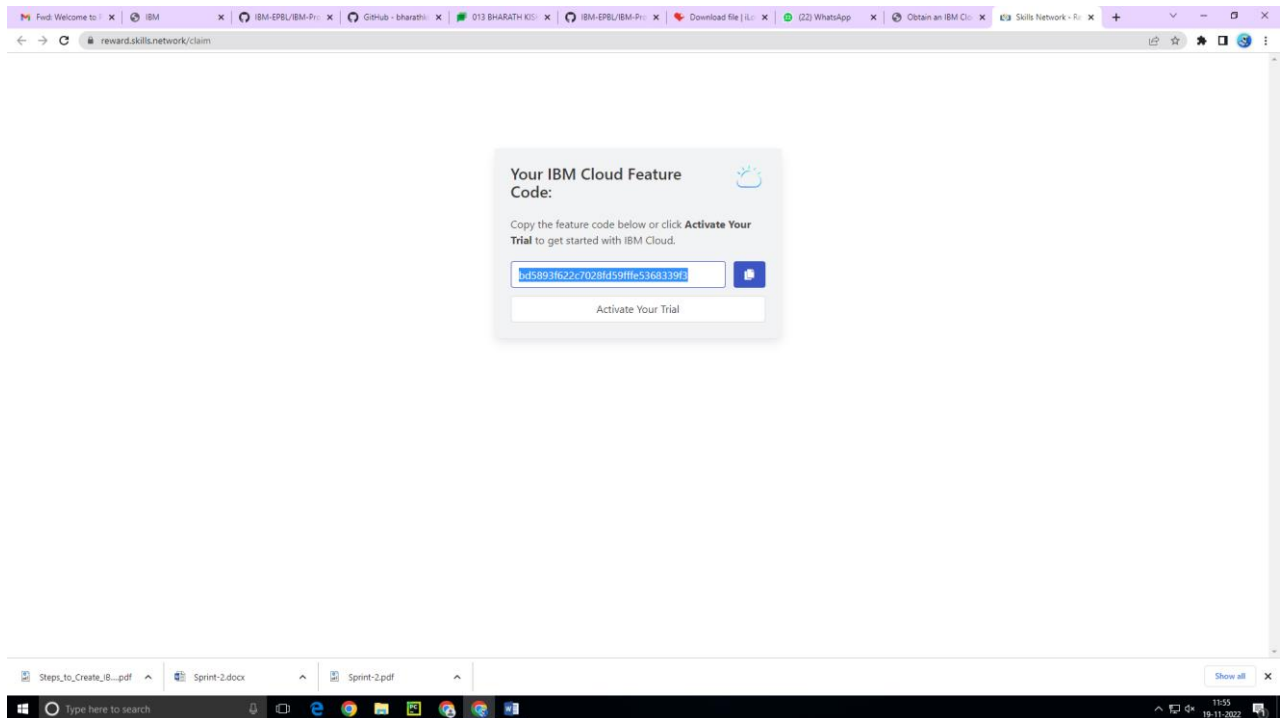

Step 2 : Entering register details

The screenshot shows the 'ICT Academy Home Page' with a registration form. The browser's address bar shows the URL: `courses.ictacademy.skillsnetwork.site/register?next=%2Fcourses%2Fcourse-v1%3AIBMDeveloperSkillsNetwork%2BCC0103EN%2Bv3%2Fcourse%2F`. The form includes fields for 'Full Name' (filled with 'BharathKishoreRamanathan'), 'Public Username' (filled with 'bk_333'), 'Email' (filled with 'bkias333@gmail.com'), and 'Password' (masked with asterisks). There is a checkbox for 'I agree to the ICT Academy Terms of Service' and a 'Create Account' button. A note at the bottom states: 'Asterisks (*) indicate fields required to complete this transaction.'

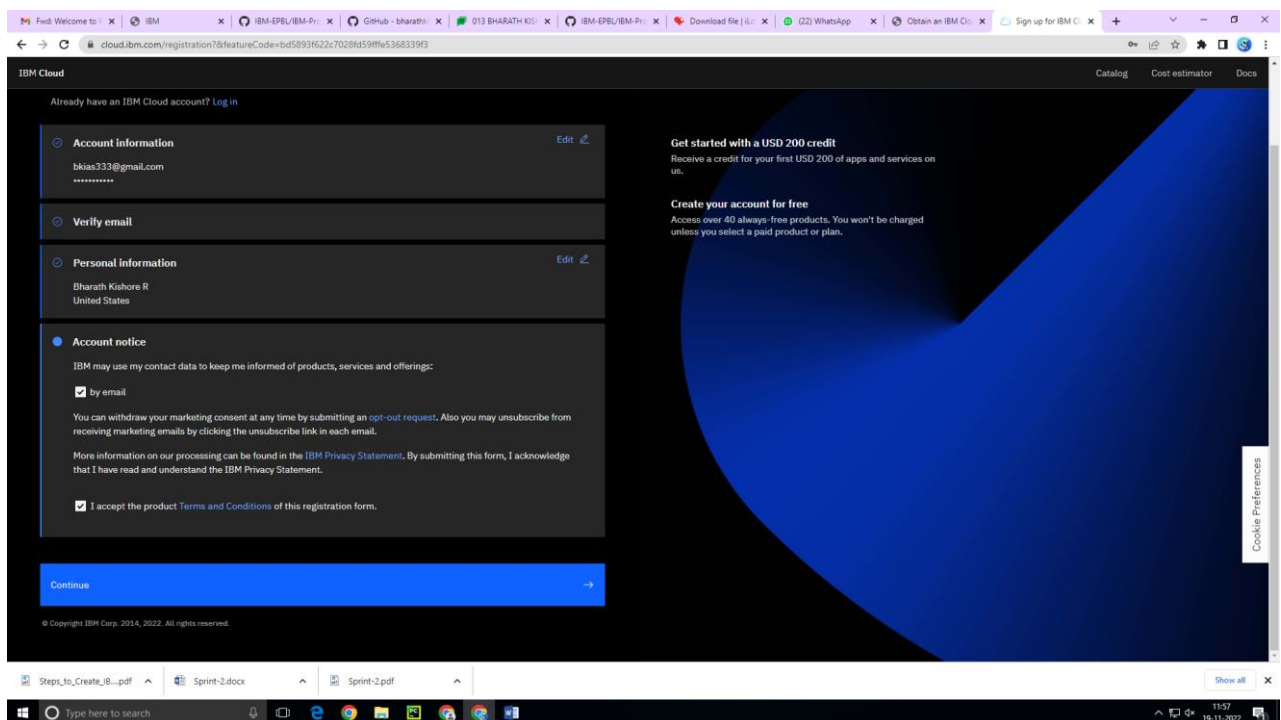

Step 3 : click on open tool

The screenshot shows the 'Obtain an IBM Cloud Feature Code' page within a course module. The breadcrumb trail is 'Course > Module 1 - Introduction to IBM Cloud > Obtain an IBM Cloud Feature Code > Obtain an IBM Cloud Feature Code'. The page has 'Previous' and 'Next' navigation buttons. The main content area is titled 'Obtain an IBM Cloud Feature Code' and includes a 'Bookmark this page' link. The text explains that a special feature code is provided for hands-on skills development. It states: 'This feature code will enable you to either create an IBM Cloud account without a credit card, or extend the validity of your existing IBM Cloud trial.' It then instructs the user to 'Please check the box and click on the Open tool button below to obtain a unique Feature Code and copy it. You will be able to apply it using the instructions that follow in a subsequent lab in the course.' A note follows: 'NOTE: If you have already applied your IBM Cloud feature code in another course/lab to create an IBM Cloud account or extend its trial, please skip this item, as the code can only be used once.' Below this, there is a section titled 'LTI Consumer (External resource)' with a large grey box containing an 'Open Tool' button with an external link icon. At the bottom, there are 'Previous' and 'Next' navigation buttons.

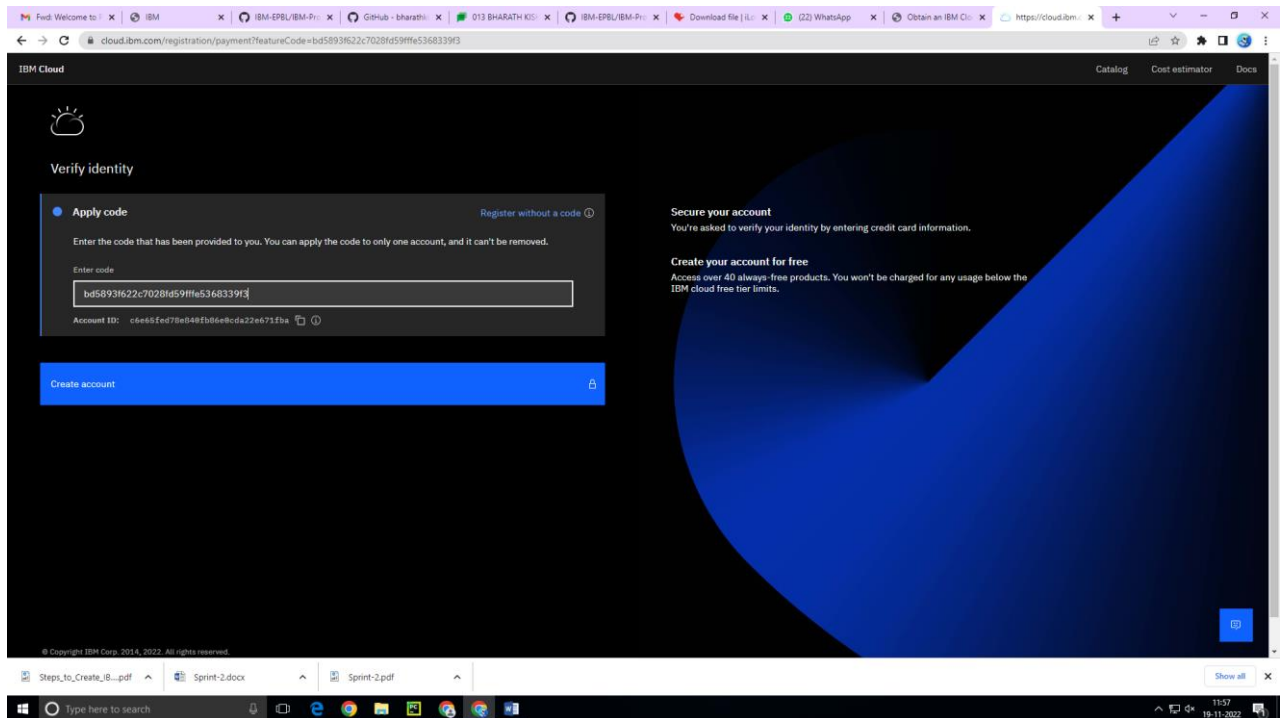

Step 4: Activate your trial

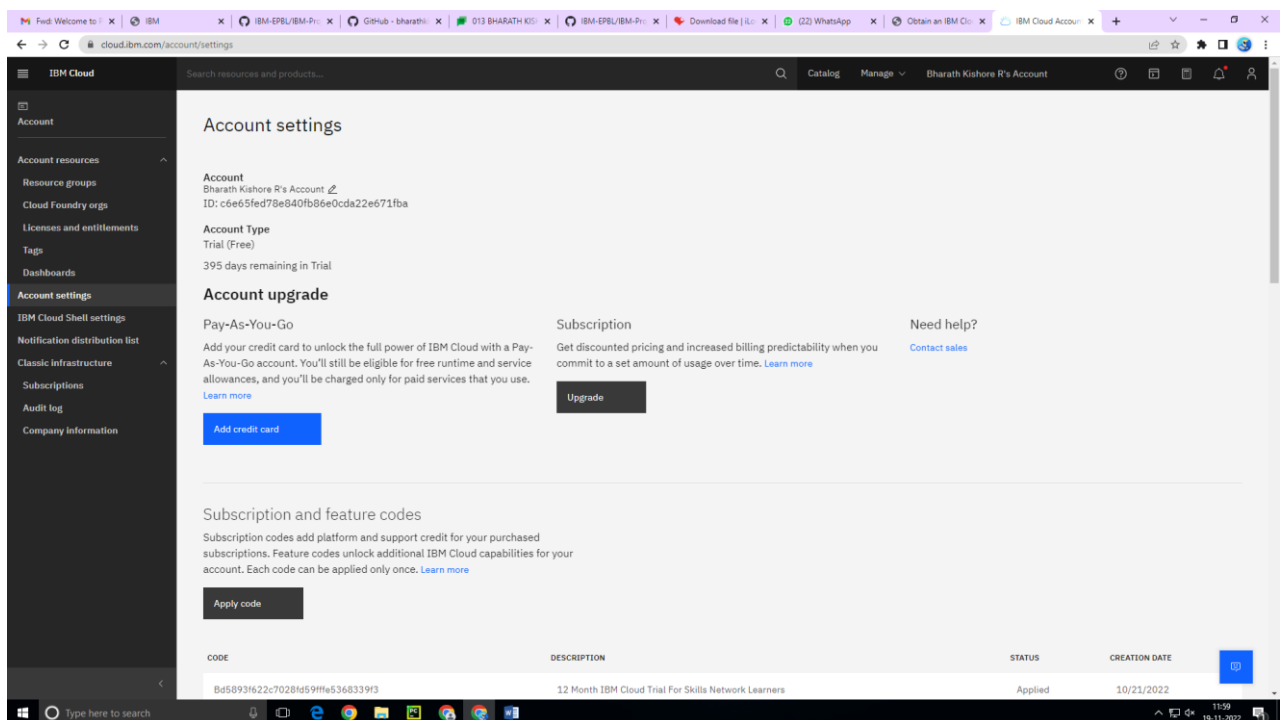

Step 5 : Re-entering the credentials and click on continue

Step 6 : click on create account

Step 7 : Go to Account settings

IBM Cloud Account has been created.
